

Character Education at Lindbergh High School

LHS CORE VALUES

RESPECT

1. We are civil, courteous, and polite to all members of our school community.
2. We communicate in a manner that supports others and uses appropriate language in person or via technology.
3. We give full attention to others even if what's being said conflicts with our personal beliefs or opinions.

RESPONSIBILITY

1. We see ourselves as part of a larger collaborative community to help and protect others in need.
2. We are purposefully engaged in our academic community working close to our potential in the classroom environment.
 - a. We utilize a variety of resources for organization and time management to stay informed about school.
 - b. We are accountable for our academic and attendance practices.
3. We demonstrate responsibility by making healthy choices to protect our well-being for healthy relationships and school experience.

CARING

1. We are kind, compassionate, and empathetic to everyone regardless of circumstances.
2. We are charitable in judging others by assuming good intentions.
3. We inform and educate ourselves about the customs, traditions and perspectives of people of diverse backgrounds to develop a culture of tolerance & understanding.
