

Convenient learning and fun for all.
Building relationships, resiliency, and enthusiasm.

SUMMER 2025

LindberghSchools
Community Ed and Rec

General Information

About Us

Lindbergh Community Ed & Recreation provides lifelong learning and recreation opportunities to community members. Our programs strive to develop an atmosphere that emphasizes learning, teamwork, sportsmanship, resiliency, and enthusiasm! Programs are available to all. Some before and after-school programs may be limited to attending students.

Online Registration

All registrations are made online via our Eleyo system. First-time users will need to create an Eleyo account using a valid email, or your Facebook or Google account to sign-in. Then you can add others to the account, as needed. Create your account and register for programs at lindberghschools.ce.eleyo.com.

Virtual Learning

Participants must provide own technology to help facilitate these activities. Internet access is required, as we will be using web-based platforms, such as Google meets. Instructors will email links and any further info needed prior to the start of class.

Email

communityed.rec@lindberghschools.ws

Phone

Website

go.lindberghschools.ws/commedandrec

Cancellations, Refunds

There will be no refunds 7-business days prior to the start of class or after, unless the individual experiences a medical problem that prohibits participation for the remainder of the program session. If a medical problem exists, upon presenting a doctor's note, the refund amount will be prorated based on the number of sessions attended, minus any supplies fee. Cancellations prior to 7-business days will receive a refund, minus any supplies fee, however this may not apply to all programs, such as Flyers Club or sports leagues. For Flyers Club or sports leagues, cancellations must be made 14-business days prior to the start date. Community Ed & Rec reserves the right to cancel a program, in which case full refunds will be issued. Attendance is the responsibility of program participants and refunds are not available for missing a class. We follow the Lindbergh Schools inclement weather policy.

Financial Assistance

Partial fee assistance may be available for some programs if you are an attending Lindbergh student who qualifies for free/reduced meals through Lindbergh Schools. Fee assistance can only be applied at the time of registration and cannot be retroactive. Some programs may be excluded. If you qualify, please email us at communityed.rec@lindberghschools.ws with the student's name, grade, and attending school.

Flyers Club Summer Camp: Students Entering Grades 1-6

Flyers Club Summer Camp: Students Entering 1-6 grade. Let's make memories! Flyers Club Camp offers a traditional camp program for current elementary students that will be entering 1st - 6th grade. Get ready to enjoy new adventures each week with a different theme and activities! Activities include but are limited to: art, music, games, science and much more! Each week includes snow cones, swimming and either a field trip or special guest speaker presentation. All enrollment applications are initially placed on a waiting list for approval and will be accepted in or order received until each week is full. Enrollment is on a first come, first served basis and is contingent upon available staffing. Space is limited. Student grade levels are based on the upcoming 25-26 school year.

Flyers Club Camps are held at Dressel Elementary

- **\$50 nonrefundable application fee per student**
- Camp hours are 7:00 a.m.-6 p.m.
- Schedule option of 4 or 5 days per week
- Auto-draft payments required
- Weekly tuition due on the Thursday prior to the start of camp

Flyers Club Before-After Care

Flyers Club Before and After School-Age Care: 2025-26 School Year

Flyers Club provides students of working families in grades K-5 with a fun, safe, and engaging program before and after school. Programs are located at all Lindbergh elementary schools, providing a familiar and convenient setting. Participation is limited to students attending Lindbergh Schools and enrollment options are subject to availability. Our Flyers Club staff plan activities that may include arts and crafts, STEAM, music, reading, and group games.

Enrollment is on a first come, first served basis and is contingent upon available staffing. All enrollment applications are placed on a waiting list pending approval. We have a rolling admissions system based on a staff to student ratio of 1:16. As we continue to confirm staff through the school year, we will move families off the waitlists and into the school year program in the order of registration. You will receive a notification once your contract is approved.

Half Days

Flyers Club offers after care on days when the elementary schools have half days at no extra cost to students enrolled in after care. Students can attend at their school location from dismissal time until 6 p.m. Enrolled families will receive additional information with details prior to those half days.

School's Out Camp

School's Out Camp provides enriching and entertaining programs on planned non-school days, offering a perfect blend of fun and learning! Available for an additional fee, this program is designed to keep kids engaged in a safe and supportive environment. Please note: School's Out Camp is not held on district-recognized holidays, during inclement weather closures, or in the event of unforeseen circumstances. Stay tuned for detailed dates and program specifics in our upcoming Fall and Winter catalog.

2025-26 Monthly Tuition Rates

Days per Week	Before Only	After Only	Before & After
3	\$150	\$185	\$295
4	\$175	\$220	\$355
5	\$195	\$245	\$390

- **\$50 nonrefundable application fee per student**
- Before Care starts at 6:30 a.m.
- After Care ends at 6 p.m.
- Monthly billing August-May (10-payments)
- Auto-draft payments required
- Partial fee assistance is available for students qualifying for free and reduced meals

Enrichment

Launching
this Summer

Before & After Enrichment Camp Care

Make your summer easier with our new before and after care program! Designed for children entering grades 1-6. We offer a safe, fun, and engaging environment with a variety of activities to keep them entertained. Our experienced and caring staff are committed to providing a positive experience for every child. Space is limited, so register early!

Hours:

- Before care: 7:00 AM - 9:00 AM; \$40/week
- After care: 3:00 PM - 5:00 PM; \$40/week

How it Works:

- Before care is available for enrichment camps held at Dressel Elementary that begin at 9:00 a.m. Drop-off is between 7:00 a.m. and 9:00 a.m.
- After care is available for camps that end at 3:00 p.m. or 3:30 p.m. Pick-up is between 3:00 p.m. and 5:00 p.m.

Camp Ignite: Grades 2-6

Do you enjoy robotics, coding, and augmented reality? At Camp Ignite, we believe in the power of imagination, creativity and innovation. Our mission is to encourage STEAM learning experiences through the design and construction of physical objects. Lindbergh educators will lead the activities, which have been designed to support student development, especially in the area of science. Students will engage in making predictions, designing, testing, revising and retesting their project designs. Space is limited! Please bring a sack lunch, snacks, and a water bottle.

Camp Innovate: Eco Innovators! Grades 6-9

Join us for an exciting STEAM camp where creativity and curiosity come alive! Designed for incoming 6-8th graders, this hands-on camp dives into experiments with soil, water, and air to explore environmental science. Campers will tackle environmental challenges through breakout room activities, upcycling materials into unique crafts and even learn the art of creating functional furniture using cardboard and the Glowforge! This camp is perfect for young innovators eager to make a difference in the world, experiment, and learn in fun and meaningful ways. Please bring a sack lunch, snacks, and a water bottle.

Mon-Thu | June 9-12 | 8:30 a.m.-3 p.m. | Sperreng Middle
\$209 | Register by June 1

Enrichment

Camp Innovate: Grades 6-9

Interested in producing videos, designing projects with different printers, and solving mysteries with secret codes? At Camp Innovate, we believe in the power of imagination, creativity, and innovation. Our mission is to encourage STEAM learning through design and construction of physical objects. Explore breakout boxes, 3D printer, Minecraft EDU, laser printer, Cricut Maker, and Green Screens. Space is limited! Please bring a sack lunch, snacks, and a water bottle.

Mon-Thu | July 7-10 | 8:30 a.m. - 3 p.m. | Truman Middle
\$209 | Register by June 29

Jewelry Creations-Summer Fun: Grades 1-5

Summer is here! Let's celebrate by making some fun colorful jewelry. We will be making ankle bracelets, choker necklaces, bubble wands, and so much more!

Mon-Thu | June 9-12 | 9 a.m.- noon | Dressel Elem
\$154 | Register by June 1

Jewelry Creations Video Game Camp: Grades 1 - 5

Where are all my gamers at? This is the class for you.

Design cool jewelry and accessories around your favorite video games such as Mario, Minecraft, Roblox, Fortnite, or whatever games you love! We will make Keychains, bracelets, zipper pulls & Necklaces out of beads, shrink plastic, clay, and more!

Mon-Thu | June 23-26 | 9 a.m. - noon | Dressel Elem
\$154 | Register by June 18

Saint Louis Chess Club Camp: Grades 1-6

Chess camps are the perfect way for new players to learn the game, or for established players to deepen their understanding of the game. Aspiring top tier players can take on some intensive instruction. Trained chess club instructors provide daily lessons, puzzles, and play to help guide students through each lesson. Instruction offers a solid basic foundation, emphasizing the fundamental skills needed to begin a lifetime of learning in chess including: proper piece and board set-up, algebraic notation (chess language), and principles of play. Offered in partnership with the Saint Louis Chess Club.

Enrichment

Little Vet Equine Medicine: Grades 1-5

Biting at the bit to learn more about horses? This equine camp is for you! Become a vet for a week and learn all about the care and maintenance of a horse. Take an oath and use real medical tools to keep your newly adopted plush horse happy and healthy. After learning about horse anatomy, riding styles, and nutrition you can ride into the sunset with your diploma. Giddy up!

Mon-Thu | July 14-17 | 12:30-3:30 p.m. | Dressel Elem
\$279 | Register by July 6

Little Vet Canine Companions: Grades 1-5

Become a paw-some veterinarian! Camp participants will roleplay the key responsibilities in a vet office and learn how to care for their plush canine patients. These future veterinarians will learn how to remove ticks, perform a nose-to-tail exam, understand proper animal nutrition and hydration, decode dog body language, and more!

Mon-Thu | July 21-24 | 9 a.m.- noon | Dressel Elem
\$279 | Register by July 13

Little Vet Feline Friends: Grades 1-5

Become a purr-fect veterinarian! Camp participants adopt a plush feline patient and learn how vet help take care of pet cats. These future veterinarians will learn how to perform a tip- to-tail exam, suture lacerations, to set up a litter box and safe areas for their pet, make cat toys, and more!

Mon-Thu | July 21-24 | 12:30 -3:30 p.m. | Dressel Elem
\$279| Register by July 13

Wilderness Medicine: Grades 1-5

Conquer the great outdoors! Camp participants will learn how to plan for an outdoor adventure, roleplay emergency situations in the wild, and prepare for natural disasters. These future emergency medics will learn about venomous snakes, hypothermia, wild animal encounters, poisonous plants, distress signals, forest fires, tornadoes, mosquito bites, and so much more!

Mon-Thu | July 14-17 | 9 a.m.-noon | Dressel Elem
\$279 | Register by July 6

Sports Medicine: Grades 6-8

Step into the big leagues! Participants will discover the all-star team behind their favorite athletes! From physical therapists to nutritionists, get a peek at how the pros stay in top shape. Plus, learn how to treat common sports injuries and stay extra hydrated. We'll even delve into Tommy John Surgery!

Mon-Thu | July 7-10 | 9 a.m.- noon | Dressel Elem
\$279 | Register by June 29

Little Doctor Camp: Grades 1-5

Inspired learning today - healthy futures tomorrow! Camp participants will roleplay the key responsibilities of a doctor and learn about vital organs in the human body. These future doctors will learn how to use a stethoscope, blood pressure cuff, and reflex hammer. They will practice administering first aid, learn how pharmacists play a role in administering medications, and more!

Enrichment

Balloonatics Camp: Grades 1-6

Calling all Balloonatics! Every day of this camp is an exciting balloon bash! Balloonatic campers learn to create over 20 balloon animals, spin out with UFO balloons and make a balloon helicopter that really flies! Each day campers take home a different novelty balloon— race car balloons, rocket balloons, and more! Come join the fun in this unique, creative camp! Offered in partnership with Abra-Kid-Abra

Mon-Wed | June 16-18 | 9 a.m.-noon | Dressel Elem
\$93 | Register by June 8 | No class June 19

Thinking Outside the Hat: Grades 1-6

Mind read the object someone is thinking of! Balance 7 nails on the head of 1! Change a \$1 bill into 5! With tricks and more, you'll be the life of the party! Get your own magic box and new tricks to put in it daily to show your friends! Participate in a family show! You'll create stories to accompany your tricks and think out of the box. So in addition to developing presentation skills and confidence, you'll build creativity and thinking skills as well! Plus, you'll learn comedy magic skits, balloon twisting, magic puzzles, and lots more! Tricks are new from previous camps.

Mon-Thu | June 2-5 | 9 a.m. - noon | Dressel Elem
\$124 | Register by May 25

Magic Mystery Camp: Grades 1-6

What do you get when you combine theater and magic into 1 camp? Introducing... Magical Mystery Camp! Your kids will learn new magic tricks each day, often treating their parents to a nightly show! Campers will weave their tricks into a mystery show, which they will create and perform on the last day for their families! Campers work on character development, acting, improv... In learning magic and theater, your kids will develop their presentation skill and confidence - while having a lot of fun in the process!

Mon-Thu | June 9-12 | 9 a.m. - noon | Dressel Elem
\$124 | Register by June 1

Mathmagic Camp: Grades 1-6

Produce a million dollar bill! Cause an object to move in a spectator's hand - even though you are 10 feet away! Learn what many magicians regard as the greatest card trick of all time! The tricks for this camp are math-based, so in addition to learning fun magic, you'll also hone your math skills! Content areas include counting, measurement, even-odd, geometric shapes, addition, and subtraction. Previous knowledge in these areas is not required - just a willingness to learn. You'll enjoy out-of-the-box thinking math betchas you can pull on your friends; math games; and math comedy as well! Get your own magic box and new tricks to put in it daily to amaze family and friends! Camp culminates with campers performing a mathemagic show for their families the last day. Goals are to develop presentation skills and confidence, build math skills, and to have fun!

Mon-Thu | July 7-10 | 9 a.m.-noon | Dressel Elem
\$124 | Register by June 29

Kids Comedy Camp: Grades 1-6

Funny how much fun you can have when you're learning to be funny! Learn comedy by doing it at Kids Comedy Camp! You'll master the secrets of stand-up, sketch, and improv comedy. Take home a new gag each day—rubber chickens, squirt rings, gag glasses! Perform a new comedy for your family each night! At week's end you'll display your newly enhanced confidence, creativity, performance skills and sense of humor in a show for family and friends. Offered in partnership with Abra-Kid-Abra

Enrichment

Mad Science-Secret Agent Lab: Grades 1-6

Ever dream of becoming a secret agent? We'll start with the basics: From decoding messages to metal detector and night vision, campers have the opportunity to check out spy tech equipment and take home lots of gadgets like spy glasses! Step into the shoes of a detective as you uncover the science involved in evidence gathering and analysis! Figure out the science of forensics in a hands-on look at crime scenes! Become a super spy and learn clever ways of performing tasks as we take a hands-on investigation of the science that spies use! Offered in partnership with Mad Science. Please bring a sack lunch, snacks, and water bottle.

Mon-Thu | June 2-5 | 9 a.m.-3 p.m. | Dressel Elem
\$309 | Register by May 25

Mad Science - Underground Explorers : Grades 1-6

Kids learn about archaeology and the techniques scientists use to excavate long lost cities! They discover ancient civilizations and the tools and artifacts they used in everyday life! They also study bone fragments, pottery shards, amber deposits, and fossils to understand what they can tell us about history! What's more, each class includes a make and take-home project, like a fossil reproduction, an amber time capsule, and coins from around the world! Offered in partnership with Mad Science.

Mon-Thu | June 9-12 | 9 a.m.- Noon | Dressel Elem
\$199 | Register by June 1

Mad Science: "Make It!" Camp: Grades 1-6

Roll up your sleeves, put on your makers cap, and get ready to create! This is our most hands-on camp! Who can build the strongest bridge? Can your bridge withstand the shake rattle and roll challenge? Explore the world of birds and bests. Can you discover what Hooty the owl had for dinner? Kids will dissect owl pellets and reconstruct Hooty's dinner. Enter the Mad Science chemistry lab and mix, mash, and brew concoctions! Assemble and control pulleys, levers, catapults, simple machines, and mega pinchers! Campers will discover the wonders of light and photography. It's a week packed with non-stop science fun! Offered in partnership with Mad Science. Please bring a sack lunch, snacks, and water bottle.

Mon-Thu | June 23-26 | 9 a.m.- 3 p.m. | Dressel Elem
\$309 | Register by June 15

Mad Science: Mad Inventors Grades 2-6

Creative Contraption Warning! This is a camp designed by you -- the Inventor! Each day you'll be given a series of challenges which must be overcome using basic materials, simple machines, tips from the world of famous inventors, and the most important thing of all -- your mind. With a little bit of ingenuity, you'll construct catapults and forts and then lay siege, construct a mini boat and make it sail. While Thomas Edison said invention is 10% inspiration and 90% perspiration, this camp is 100% fun! Offered in partnership with Mad Science. Please bring a sack lunch, snacks, and water bottle.

Enrichment

Mad Science: Wings and Things: Grades 1-6

From the earliest flying machines to the first rocket flights, this week long, hands-on program will give children a bird's eye view of the history and science of flight. Your child will build many different flying devices and explore the science of aerodynamics and flight with the help of Newton's laws. We don't stop there, though, because we're heading out of the atmosphere with a look at rockets and our Galactic neighborhood! Offered in partnership with Mad Science. Please bring a sack lunch, snack, and water bottle. Note: Your child will bring home a working model rocket. However, if your child would like to continue his/her interest in launching rockets outside of camp, you will need to purchase a launch kit from Walmart or a hobby shop.

Mon-Thu | July 14-17 | 9 a.m.- 3 p.m. | Dressel Elem
\$309 | Register by July 6

Mad Science: The Nuts and Bolts of Robots: Grades 1-6

Embark on 4 days of exhilarating robot exploration made just for kids! Get ready to be awed as we delve into the fascinating world of robotics. Get hands-on as you make gears and set things into motion. Unite as a team to craft your very own circuits, unveiling the intricate web of connections that power robots. Delve into the mesmerizing world of sensors and witness how robots use them to navigate and interact with their surroundings. Discover the countless roles robots play in our daily lives. Experiment with sound-sensing marvels, master line-tracking wonders, and so much more! Throughout the week, you'll accumulate a wealth of knowledge and skills which you'll use to create your own working robot to take home with you. It's a week filled with exploration, excitement, and the chance to become a budding robotics expert! Offered in partnership with Mad Science. Please bring a sack lunch, snacks, and water bottle.

Inventors and Creators Camp: Grades 3-6

Inventors & Creators Camp offers a fun and interactive experience where students dive into the world of robotics, 3D printing, and creative problem-solving. They'll learn robocoding, design unique objects with 3D Printing, and master paper-folding techniques in Origami. The camp also features logic-based games to boost critical thinking and teamwork. It's the perfect opportunity for young innovators to explore technology, unleash their creativity, and develop valuable STEAM skills! Please bring a sack lunch, snacks, and a water bottle.

Mon-Thu | June 2-5 | 9 -3:00 p.m. | Dressel Elem
\$349 | Register by May 25

CraftBot Camp: Grades 3-6

CraftBot Camp is an exciting, full-day experience where students explore their creativity through interactive, STEM-focused activities. From building robots in Build-a-Bot to crafting structures with Strawbees and mastering paper art in Origami, each session engages students' problem-solving skills and imagination. The camp also features fun games that promote teamwork and critical thinking, ensuring a dynamic balance between learning and play. It's the perfect environment for curious minds to innovate and create! Please bring a sack lunch, snacks, and a water bottle.

Mon-Thu | June 9-12 | 9 - noon | Dressel Elem
\$349 | Register by June 1

Art Meets Science Camp: Grades 3-6

Students blend creativity and exploration through daily art and science activities. In Art Around the World, students explore different cultures with projects inspired by international art, learning fundamental art techniques, such as color mixing, drawing, shading, and texture. The ScienceWiz program combines inquiry, experimentation, and play! Students will receive their very own ScienceWiz™ kit and use it to dive deep into important scientific concepts.

Mon-Thu | June 9-12 | 12:30 -3:30 p.m. | Dressel Elem
\$209 | Register by June 1

Liftoff! Camp: Grades 3-6

Ready for take-off? Prepare for an exhilarating journey into the science of aerodynamics and drones with Lift Off! Flight and Aerodynamics delves into the history of flying machines, abstract physics concepts, and scientific inquiry, while students design rockets and hot air balloons. The hands-on Drone program engages students in aeronautical adventures, teaching flight, navigation, and coding with age-appropriate techniques. Through creative challenges, students develop critical thinking as they pilot their drones, igniting a passion for STEM. Most excitingly, they take their Voyage Aeronautics Drone home after the course! Please bring a sack lunch, snacks, and a water bottle.

Karate Camp: Grades 1-5

Our fun and unique program is specially designed for children 1st-5th grade. This curriculum incorporates karate, fun and fitness. Robinson's karate instructors teach basic blocks, punches and kicks while emphasizing a healthy attitude versus absolute precision. Karate can help children improve their focus and concentration, and develop self confidence through exciting and organized activities delivered in a supportive environment.

Enrichment

Intro to Whitewater Kayaking: Ages 7+

Whitewater Kayaks are Wild! In this beginner course, students will be introduced to the fun and exciting sport of whitewater kayaking. We will play games, do drills, and practice technique with a focus on FUN! You will begin building the skills and strength you need to get you started on your whitewater kayaking journey (basic paddle strokes, boat balance, boat entry/exit, river running skills/communication, and carrying methods). Taught by instructors with the Missouri Whitewater Association. Includes a First Aid and Water Safety Class at the Alpine Shop!

Boat and Paddle Provided. Students should be comfortable swimming and treading water. Wetsuits recommended but not required. Course is open to all ages (Parents too), but paddlers will be grouped with other students in similar age/skill level. Therefore, students may be asked to move from one time slot to another.

June 2-5 | \$99 | Register by May 25
Mon/Tues/Thurs 5:00 - 6:15 p.m. at Lindbergh High
Wed 5:30 - 6:30 at the Alpine Shop in Kirkwood (no pool)

June 2-5 | \$99 | Register by May 25
Mon/Tues/Thurs 6:15 - 7:30 p.m. at Lindbergh High
Wed 5:30 - 6:30 at the Alpine Shop in Kirkwood (no pool)

Foundations of Yoga: Ages 15+

In Foundations of Yoga, you will learn the proper alignment for your unique body, in the most common yoga postures. These poses will be accessible for all skill levels. Class will begin with a warm up of Somatics and Yin to prepare the body for asana. Class will end with more Somatics to relax and release any muscle tension before moving into Savasana (deep rest) to finish our practice.

Wednesdays | June 4-July 23 | 6:15-7:15 p.m. | Dressel Elem
\$79 | Register by May 30 | No class July 2

Gymnastics, Cheer & Dance

Gymnastics Team Overview

Reach new heights and gain confidence through competitive gymnastics! Team primarily operates year-round. Practice fees are paid monthly August-June. Any meet fees or apparel will be separate. Competition apparel must be purchased at the start of the fall. Registration for team will be available in July with the release of our Fall Catalog. Teams typically compete in at least 6 area meets. We travel to areas such as St. Charles, Poplar Bluff, Farmington, and other AAU sanctioned meets that may require extra travel. Level 1 & 2 are competing teams for gymnasts that have completed Pre-Team with excellence. Xcel Bronze, Silver, Gold, & Platinum are competing teams with free form level providing variety of skills to choose from and the ability to create a unique routine. Team is for gymnast ages 5+.

Boys Team: Ages 6+ Tryout Required

This free-form level of gymnastics gives athletes the ability to compete on bar, floor, vault, and circles/support. Open to anyone that is interested in getting into or advancing in the competitive world of gymnastics.

Team, Boys Team, & Pre-Team Tryouts: Ages 5+

Sat | May 24 | 10-11 a.m. | \$10
