

All LHS Parents/Guardians: Welcome to the 2017-2018 school year

You are part of the "Lindbergh HS Parent Group"

What is the LHS Parent Group?

- We are a parent-led organization that supports the students, teachers, and administrators of Lindbergh High School (LHS).
- We sustain academic-related activities by means of creating awareness, volunteering, donating, and fundraising.

We raise monies through direct donations and the holiday house tour to support activities on the LHS campus.

Here are some of the activities we would like to provide this year with your help.

- \$500 to each group: Advisory/PAC, Counseling Department, History ALIVE, Library, LINK Crew, LITE Retreat, Project Graduation (senior party after graduation), Senior scholarships (2), Special Olympics (softball tourney sponsored by StuCo)
- \$4000 in support of the Renaissance Program
- Dinners for ALL teachers on parent-teacher conference nights
- An ALL-staff themed luncheon during teachers' week in May, serving over 230 staff members
- Grants to classroom teachers to purchase items desired for further educational instruction

Please join us for monthly meetings with Principal Dr. Eric Cochran
