

Follow these steps to use your Spanish online textbook!

1. Using the internet, go to *my.hrw.com* (no *www* is needed).
2. The first time you use the book, see **WebChecker*** on the left side of the page.
3. Click on it to perform an automatic system check. Check to see if you have all the necessary plug-ins to run the program**. If some are missing, download them to your computer- they are all free! If you are sure you have Adobe Reader, don't worry if the red X remains. Click "return" to go back to the login page.
4. You are now ready to log in using the username and password provided by your teacher.
5. Look for the picture of your book on the next page and click "Go to the Online Textbook."
6. Explore the drop down menus- select a unit or chapter and select a section. You may also go directly to a specific page in your book by clicking on the "Book Pages" tab and typing the page number directly into the white box. In the vocabulary section, click on the blue words to hear your vocabulary. Click on any video tab to see video clips for even more practice. There are a number of different interactive links, so look around!
7. Use your online book every day! If you have questions or experience any difficulty accessing your online book, parents can call the Technical Support Helpline at (800) 323-9239.
